Time Management

Organization

Communication

Photography

Beginner in Java

Design

EXPERIENCE

Pineapple Hut

May 2025 - Aug 2025

Sales Associate

In 2025, I would work both Pineapple Hut and Coldstone, doing many double shifts where I did Pineapple Hut at night. I would always make sure that we had enough pineapple mix in the back and enough cut pineapples. I made sure the tables, machines, and back room were cleaned during business hours and when closing.

Coldstone Creamery

May 2024 - Aug 2025

Sales Associate

Worked during the peak months of summer at an ice cream shop. I would start my mornings early by prepping various toppings or unpacking shipments when needed. I ensured to keep a friendly engagement and work swiftly when completing orders. I also helped delegate tasks and train new workers throughout.

SPARC (Nautica and Aéropostale)

May 2023 - Mar 2024

Retail Associate

I provided friendly customer service and assisted various people with merchandise. On the floor, I would keep things tidy during shipments and help ensure the store ran smoothly with coworkers. This environment is fast-paced and relied heavy on communication as well as attentiveness.

CERTIFICATION/AWARDS

Coursera

Eight Certifications for Cybersecurity related courses

Splunk

Intro to Splunk certification

2023 Annual Juried Art Exhibition

Photography juried in the local Horry County art museum (Burroughs and Chapin)
